

IMPORTANT ANNOUNCEMENT

Dear valued customer:

We are pleased to announce that ESC (Environmental Service Concepts) and FBS (Federal Building Services) have joined forces. Our combined resources and diverse facility experience will be serving customers in 34 states.

Our sustainable business model can now serve virtually any commercial or retail property, from office complexes and shopping centers to high rise buildings, educational institutions, government facilities and more. **ESCFederal** is a fully-integrated building services contractor providing energy management and optimization, engineering, building maintenance and comprehensive janitorial solutions.

Same Great People and Quality You Count on!

Our reputation for positive experiences and superb workforce reliability will continue to guide our actions. Though we will now operate as one company – **ESCFederal** – you can still rely on the same personal working relationships that you have had in the past. You will still be dealing with the same people and can depend on the same high quality service.

Todd Videon
CEO / President

Value. Versatility. Reliability.

Our combined operations deliver new efficiencies, more diverse services, and advanced quality management. For customers, that means value, versatility and reliability.

Thank you for your loyalty and support.

ESC | Environmental Service Concepts, LLC
FBS | Federal Building Services, Inc.

Contact Information

Phone numbers will remain the same.

Please continue to address inquiries and business transactions to your current sales and customer service contacts.

New email addresses

Email Addresses will be changing in the next month. For now, use the current email addresses you have been using. We will notify you when the new emails are operational, at which time we will ask you to update your "address books."
